Soccer or Football has a universal appeal and can be played by people of all ages and ability. Children who participate from an early age benefit through improved skills, enhanced interaction, a feeling of being part of a team.

### Aims of our junior program

- Development before results
- Challenge children to attempt new skills
- Cater for varying skill levels
- Encourage children to play and learn together
- Provide an enjoyable soccer experience
- Provide a structured training program based on COERVER® Player Pyramid

Initially developed by Dutch great Wiel Coerver, Coerver® Coaching now stands as the premiere youth soccer coaching program in the world, designed and developed to improve individual players in small sided groups.

### Registration is open to the following age groups
